

The **Construction Mitigation Program (CMP)** allows Salt Lake City to help retain existing businesses as investments are made to upgrade the aging infrastructure around them. This is an important tool for Salt Lake City to ensure local businesses can thrive through difficult periods of street closures and disruption.

The grant is up to \$3,000 payable per business owner or entity.

If you are a merchant in the restaurant, bar or retail space who has been negatively impacted by street closures and construction, we encourage you to apply. You must be at the current location for more than 6 months, have 50 employees or fewer, and be located within a one-half block of any of the construction areas listed in this grant.

Who is it for?

Small, independent businesses with less than 50 employees who have been adversely affected by construction in project areas.

Where are the project areas in Salt Lake City?

At this time, construction areas covered by this grant through Spring 2025 are:

- 2100 S (700 E – 1300 E)
- 1300 E (2100 S – 3300 S)
- 300N (300 W – 1000 W)
- 600/700 N (800 W – Redwood Rd)

FAQ

How will I know if my business is eligible?

Eligibility is on a case-by-case basis using the following criteria as a guide:

- Small, independent businesses with less than 50 employees who have been adversely affected by construction in project areas provided.
- The duration of the construction occurring near the business applying.
- Proximity to construction, and severity of traffic disruption. Generally, businesses located within one-half block of construction site, or construction related street closure, or with construction directly in front of their business should apply.
- Businesses who rely on foot traffic in the area to serve their customers may also apply.

How much is the grant and what can it be used for?

- The grant is up to \$3,000 payable to the business owner or entity. It can be used for business expenses including enhanced marketing, advertising, incentives for customers and rent/lease/mortgage payments.
