

SALT LAKE CITY 2020- 2024 CONSOLIDATED PLAN GOALS

HOUSING

To provide expanded housing options for all economic and demographic segments of Salt Lake City's population while diversifying the housing stock within neighborhoods.

1. Support housing programs that address the needs of aging housing stock through targeting rehabilitation efforts and diversifying the housing stock within neighborhoods
2. Support affordable housing development that increases the number and types of units available for income eligible residents
3. Support programs that provide access to home ownership via down payment assistance, and/or housing subsidy, and/or financing
4. Support rent assistance programs to emphasize stable housing as a primary strategy to prevent and end homelessness
5. Expand housing support for aging resident that ensure access to continued stable housing

TRANSPORTATION

To promote accessibility and affordability of multimodal transportation options

1. Improve bus stop amenities as a way to encourage the accessibility of public transit and enhance the experience of public transit in target areas
2. Support access to transportation prioritizing very low-income and vulnerable populations
3. Expand and support the installation of bike racks, stations, and amenities as a way to encourage use of alternative modes of transportation in target areas

BUILD COMMUNITY RESILIENCY

Build resiliency by providing tools to increase economic and/or housing stability

1. Provide job training/vocational training programs targeting low-income and vulnerable populations including, but not limited to; chronically homeless; those exiting treatment centers/programs and/or institutions; and persons with disabilities
2. Economic Development efforts via supporting the improvement and visibility of small businesses through façade improvement programs
3. Provide economic development support for microenterprise businesses
4. Direct financial assistance to for-profit businesses
5. Expand access to early childhood education to set the stage for academic achievement, social development, and change the cycle of poverty
6. Promote digital inclusion through access to digital communication technologies and the internet
7. Provide support for programs that reduce food insecurity for vulnerable population

HOMELESS SERVICES

To expand access supportive programs that help ensure that homelessness is rare, brief, and non recurring.

1. Expand support for medical and dental care options for those experiencing homelessness
2. Provide support for homeless services including Homeless Resource Center Operations and Emergency overflow operations.
3. Provide support for programs providing outreach services to address the needs of those living an unsheltered life.
4. Expand case management support as a way to connect those experiencing homelessness with permanent housing and supportive services

Behavioral Health

To provide support for low-income and vulnerable populations experiencing behavioral health concerns such as substance abuse disorders and mental health challenges

1. Expand treatment options, counseling support, and case management for those experiencing behavioral health crisis
2. Support programs that provide connection to permanent housing upon exiting behavioral health programs. Support may include, but is not limited to supporting obtaining housing via deposit and rent assistance and barrier elimination to the extent allowable to regulation
