Providing resources to address basic health needs for the community in COVID mitigation and prevention, community violence interventions, or financial assistance for low-to moderate-income households' medical needs exacerbated COVID.

- **Mental Health Assistance**
  Providing resources to address mental health or substance use needs that have resulted from or been exacerbated by COVID for those who qualify as low- to moderate-income.

Nonprofit organizations who apply for these funds will provide critical direct services in one of these categories to communities in the municipal boundaries of Salt Lake City. Applying agencies may be awarded up to $100,000 in grant funding to support their program needs. Please note that this funding is separate from the ARPA Community Grant Program funding available through the Department of Economic Development, though select organizations may qualify for both.

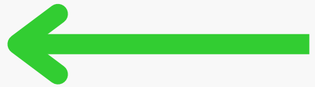
Eligibility requirements include:

- Registration as a 501(c)(3) organization
- Registration in the federal System for Award Management (SAM)
- Documentation of general liability insurance

All agencies who meet these requirements and are interested in receiving funding are encouraged to apply, regardless of previous federal funding application experience.

Applications will **open September 1st, 2022 and will be open for 30 days.** Applications must be submitted by 11:59 p.m. on Friday, September 30, 2022. Technical Assistance will be offered until 5:00 p.m. on Wednesday, September 28, 2022. Late applications will not be accepted.

Apply for the CRAG Program



Optional training sessions will be held virtually on September 13, 2022 via Teams meetings. Sessions will be held at 10-11a.m. in English (link here) and at 1-2p.m. in Spanish (link here). Please note those wishing to view these trainings **must have Microsoft accounts to join Teams meetings**. These trainings will be recorded and posted on our website following the live events.

Awarded funding will be made available no later than January 1, 2023. Potential applicants are encouraged to check this webpage regularly for updates on program timelines and application information.
