## WALK OR RIDE

Salt Lake City Transportation is excited to showcase the neighborhood byway route and safety improvements along 1300 West. Transportation staff will be providing walking and bicycling tours for individuals interested in exploring the new route and learning more about the area's several safety improvement projects. **We are inviting all to attend; however, due to COVID safety concerns, we may limit the number of participants. Secure a spot, register now!**

To register and learn more about the event please visit the web address below.
