Stormwater Discharge Permit for Construction Activities
Notice of Intent
CITY-OWNED PROJECTS

Date Received: _____
 Permit No. (PUT#): _____

ALL NECESSARY INFORMATION MUST BE PROVIDED ON THIS FORM

Notice of Intent (NOI) for Storm Water Discharges Associated with Construction Activities Under the Salt Lake City Multiple Separate Storm Sewer System (MS4) UPDES Permit UTS000002 with a land disturbance of greater than or equal to one acre, including projects less than one acre that are part of a larger common plan of development or sale, including projects less than one acre that are located in a sensitive or high-profile area.

Submission of this Notice of Intent constitutes the understanding that the party(s) identified in Section I of this form intends to be authorized under Salt Lake City's Storm Water Discharges Construction Activities permit (SW# _____). Becoming a Permittee obligates such discharger to comply with all the terms and conditions of Salt Lake City's Storm Water Ordinance Title 17.84 and the State of Utah (UPDES) Construction General Permit, regardless of state permit coverage status.

Ground disturbing and construction activities shall not commence until: (1) the Operator has received a SLC Construction Activities Permit (PUT#), (2) Best Management Practices (BMPs) have been installed per the approved SWPPP, (3) a SWPPP Pre-Construction meeting with the SLCDPU Stormwater Quality Team has been completed, and (4) an initial inspection of the site's installed BMPs has been completed which demonstrates full compliance with the project's SWPPP. To schedule the Pre-Construction Meeting and Initial Inspection, please contact the SLCDPU Stormwater Quality team at Stormwaterquality@slcgov.com.

All fields must be legibly filled out in type or print in black/blue ink (refer to pages 3, 4, and 5 for details and instructions)

I. OWNER INFORMATION:

Name (Owner): _____ Phone: _____
 Address: _____
 City: _____ State: _____ Zip: _____
 Contact Person (Project Manager): _____ Phone: _____

OPERATOR INFORMATION:

Name (Operator): _____ Phone: _____
 Address: _____
 City: _____ State: _____ Zip: _____
 Contact Person: _____ Phone: _____

If you have more co-permittees than space allows on this form, please use back of page.

II. SITE INFORMATION:

Name (Site/Project): _____
 Address: _____
 City: _____ State: _____ Zip: _____
 Site Contact Person: _____ Phone: _____

III. SWPPP COORDINATOR:

Name of the contact person responsible for overseeing implementation and coordination of the SWPPP on behalf of the Owner/Operator if different from the Owner/Operator contact:

Name: _____ Company: _____ Phone: _____
 Address: _____
 City: _____ State: _____ Zip: _____

**Salt Lake City Department of Public Utilities
Storm Water Division
1530 S. West Temple
Salt Lake City, Utah 84115**

IV. TYPE OF CONSTRUCTION

Identify the type of construction (check all that apply):

- Residential Commercial Industrial Road
 Bridge Utility Contouring, Landscaping
 Other _____

V. BEST MANAGEMENT PRACTICES

Identify the best management practices (BMPs) proposed for the site and date of implementation:

- Silt Fences/Other Inlet protection Track out Sweeping
 Sediment ponds Berms/ditches Mulching/Geotextiles
 Seeding/preservation of vegetation Other: _____

Date of implementation: _____

VI. ESTIMATED DATES OF CONSTRUCTION & AREA OF DISTURBANCE:

Start Date: _____

Estimated Completion Date: _____

Estimated area to be disturbed (in acres): _____

VII. STORM WATER POLLUTION PREVENTION PLAN: A storm water pollution prevention plan (SWPPP) is required to be developed, submitted, and approved before the *NOI* will be issued.

Storm Water Pollution Prevention Plan *SWPPP* requirements can be found in the UPDES Construction General Permit for Construction Activities Permit (*U-CGP*). A copy of the UPDES permit may be downloaded from the internet at: <https://documents.deq.utah.gov/water-quality/stormwater/construction/DWQ-2020-013890.pdf>.

Additionally, a SWPPP template has been provided by the state of Utah (DWQ) which meets the requirements of the U-CGP: <https://documents.deq.utah.gov/water-quality/permits/updes/DWQ-2021-002832.docx>.

- SWPPP on file with SLCDPU

VIII. RECEIVING WATERS OF THE STATE:

Identify the Waters of the State of Utah identified under Salt Lake City’s MS4 permit that receive storm water discharges near the Construction activities site:

- Emigration Creek Parley’s Creek City Creek Jordan River
 Red Butte Creek Other: _____

Approximate distance from receiving water identified: _____

Salt Lake City Department of Public Utilities
Storm Water Division
1530 S. West Temple
Salt Lake City, Utah 84115

IX. CERTIFICATION

I certify under penalty of law that I am duly authorized to sign this NOI, and that I have read and understand the Part 1 eligibility requirements for coverage under the U-CGP for storm water discharges from construction activities. I further certify that to the best of my knowledge, all discharges and BMPs that have been scheduled and detailed in a storm water pollution prevention plan will satisfy requirements of this permit. I understand that continued coverage under this permit is contingent upon maintaining eligibility as provided herein.

I certify under penalty of law that this document and all attachments were prepared under the direction or supervision of those who have placed their signature(s) below, in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Operator: (print name and signature of the Operator from first page)

Printed Name: _____

Signature: _____

Date: _____

Fee: Amount of Permit Fee Enclosed: \$ _____

Who must file for a Notice of Intent (NOI) form?

Operator: The party that has the day-to-day operational control of the project and site activities and ensures compliance with this permit.

Where to file Notice of Intent (NOI) form:

NOI form with application fee must be sent to the following address:

Salt Lake City Corporation
Department of Public Utilities
Attention: SLCDPU Contracts Office
1530 South West Temple
Salt Lake City, UT 84115

Permit Application Fees: \$125

MAKE CHECKS PAYABLE TO: Salt Lake City Department of Public Utilities

Initial Inspection Fee: \$110.00

Re-Inspection Additional Fee: \$30.00

**Salt Lake City Department of Public Utilities
Storm Water Division
1530 S. West Temple
Salt Lake City, Utah 84115**

Beginning of coverage:

Coverage under the SLC Storm Water Construction Activities Permit is immediate after a Public Utilities Permit (*PUT* number) is issued, application fees are paid, and this *NOI* is signed and included in the project's SWPPP, at which time this completed *NOI* form becomes your *Salt Lake City Storm Water Construction Activities Permit*.

Ground disturbing and construction activities shall not commence until:

- (1) the Operator has received an SLC Storm Water Construction Activities Permit Number (*PUT*#),
- (2) Best Management Practices (*BMPs*) have been installed per the approved SWPPP,
- (3) a SWPPP Pre-Construction meeting with the SLCDPU Stormwater Quality Team has been completed, and
- (4) an initial inspection of the site's installed *BMPs* has been completed which demonstrates full compliance with the project's SWPPP.

To schedule the Pre-Construction Meeting and Initial Inspection, please contact the SLCDPU Stormwater Quality team at Stormwaterquality@slcgov.com.

A copy of the SWPPP, U-CGP, State NOI and this Permit shall remain on site throughout the course of the project.

Duty to Comply:

By accepting this Permit the Permittee(s) must comply with all conditions of the *U-CGP* and this Permit. Any Permit noncompliance constitutes a violation and is grounds for escalating enforcement including but not limited to penalties, permit termination, revocation, or denial for permit renewal.

Inspections will be performed throughout the duration of the project. Fees and penalties may be assessed for permit/ordinance violations. See Attachments 1 and 2.

Notice of Termination (NOT):

Upon completion of construction activities, the site must be stabilized (see the *U-CGP* for final stabilization requirements) and post-construction *BMPs* installed according to the stamped engineering plans.

The *NOT* form must be completely filled out and submitted to SLCDPU, all fees and penalties must be paid, all temporary *BMPs* must be removed, and a final site inspection scheduled with the SLCDPU stormwater quality inspector must be completed before the project can be terminated.

Penalties for Violations of Permit Conditions:

Penalties will be determined using the:

- *Single Event Violation Codes* (refer to Attachment 1)
- *Utah Water Quality Act Civil Penalty Determination Chart* (refer to Attachment 2)

**Salt Lake City Department of Public Utilities
Storm Water Division
1530 S. West Temple
Salt Lake City, Utah 84115**

Instruction for filling out the NOI

SECTION I – PROJECT/SITE OWNER/OPERATOR INFORMATION

The Owner is typically the property owner: Salt Lake City Corporation. This section must be completely filled out with the legal name(s) of the person(s) that is responsible for the construction activity being performed; in most cases this will be the Project Manager.

The Operator is typically the general contractor responsible for day-to-day site operations including the implementation of the *SWPPP*, and coordination with the inspector(s).

SECTION II - PROJECT/SITE LOCATION INFORMATION

Enter the official or legal name and project number (if any) and complete street address, including city, state and ZIP code. If the project or site lacks a street address, indicate the approximate location providing the nearest cross street address.

SECTION III - TYPE OF CONSTRUCTION

Check each type of construction that applies to this application.

SECTION IV – BEST MANAGEMENT PRACTICES

Check each type of BMP that will be used to control storm water runoff at the job site.

SECTION V - ADDITIONAL INFORMATION REQUIRED

Enter the project start date and the estimated completion date for the entire development plan. Provide an estimate of the total area on which soil will be disturbed (round to the nearest acre).

SECTION VI - CERTIFICATION

The operator must sign this form.

State statutes provide for severe penalties for submitting false information on this application form. City ordinance requires this application to be signed as follows:

For a corporation: by a responsible corporate officer, which means: (i) president, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or any other person who performs similar policy or decision making functions, or (ii) the manager of one or more manufacturing, production, or operating facilities employing more than 250 persons or having gross annual sales or expenditures exceeding \$25 million, if authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures;

For a partnership or sole proprietorship: by a general partner or the proprietor; or

For a municipality, state, federal, or other public facility: by either a principal executive officer or ranking elected official.
