## Purpose

- The Sorenson Unity Center, maintained by the City, serves the community as a place to gather and offers the public access to the space for community services, exhibitions, facility reservations, and rentals.
- Rental fees are set each fiscal year by the City Council.
- Community access to the Sorenson Unity Center is a priority for the facility and, therefore, there is no charge for use of the space by City Departments, Community Councils, and programming activities which are free and open to the public with no commercial activity.
- In allowing the limited use of the Sorenson Campus for public and private events and programs, the City does not intend to create a public forum, but rather intends to create a limited forum for the purposes set forth in this policy. To the extent any portion of the Sorenson Campus has previously become a designated public forum, the City hereby states its intention to convert that space into a limited forum as described in this policy.
