For project descriptions, funding source details, and more, visit tinyurl.com/SLCFY24CIP.

Applicants can resubmit their request if a project is not funded or receives partial funding. If you have questions regarding applications, please contact Rachel Molinari at 385-242-5604 or email cipinfo@slcgov.com.

WHAT SHOULD THE CITY FUND NEXT?

I have a project idea! How do I let the City know?

→ To submit a constituent project request, please fill out the application at: tinyurl.com/SLCCIPInfo

Salt Lake City welcomes and values your input for potential capital improvement projects throughout the City. Constituent project applications open from September 1 through September 30 and will be available on the Finance Department's website. After a request is submitted, the assigned division will review the proposed project, refine the scope and options with the constituent, and provide cost estimates.

The Community Development and Capital Improvement Program resident advisory board (CDCIP) reviews all projects in public meetings and makes funding recommendations to the Mayor and City Council. If a request doesn't align with current City priorities, they will not recommend funding for your request. Please keep in mind that the City runs on a July - June Fiscal Year and that the CIP process takes at least one year to complete.

The constituent project request must:

- cost at least \$50,000 - \$500,000 (cost estimates are conducted by the Engineering Division)
- have a useful life of 5 or more years
- be a Salt Lake City-owned asset
- include community outreach or alternative public engagement

**SALT LAKE
CITY COUNCIL**
