

NOTICE OF BONDS TO BE ISSUED

NOTICE IS HEREBY GIVEN pursuant to the provisions of the Local Government Bonding Act, Title 11, Chapter 14, Utah Code Annotated 1953, as amended, that on June 3, 2025, the City Council (the “Council”) of Salt Lake City, Utah (the “City”), adopted a resolution (the “Resolution”) in which it authorized the plan of financing involving the issuance of the City’s Airport Revenue Bonds, Series 2025 (with any other or additional series or title designation determined by the City, the “Bonds”).

PURPOSE FOR ISSUING THE BONDS

The Bonds will be issued pursuant to a plan of finance to provide proceeds to (a) finance the Projects (as described in the following paragraph), (b) repay all or a portion of the City’s outstanding Subordinate Airport Revenue Short-Term Revolving Obligations, (c) fund capitalized interest on all or a portion of the Bonds, (d) fund any required deposits to a debt service reserve fund, and (e) pay costs of issuance of the Bonds (including, but not limited to, the purchase of one or more municipal bond insurance policies).

The “Projects” to be financed and refinanced with the proceeds of the Bonds include the acquisition, construction, reconstruction, development, expansion, improvement, equipping and/or modification, as appropriate, of various capital improvement projects at the Salt Lake City International Airport, including: (a) runway, taxiway, apron and other airfield improvements, (b) utilities, (c) replacement of substantially all of the Salt Lake City International Airport’s terminal complex facilities, including, but not limited to, terminal buildings and concourses, and (d) other related improvements at the Salt Lake City International Airport.

The Projects will be located at the Salt Lake City International Airport. The City will be the owner of the Projects to be financed and refinanced and also will be the initial operator, except to the extent the use thereof is permitted by leases and other agreements with air carriers and other tenants utilizing the Projects. The proposed Bonds will be paid solely from revenues and other moneys derived by the City from or with respect to the Salt Lake City International Airport and the other facilities of the Salt Lake City Airport System (as defined in the hereinafter defined Indenture).

PARAMETERS OF THE BONDS

The City intends to issue the Bonds in one or more series, in the aggregate principal amount of not more than \$700,000,000, to mature in not more than 40 years from their date or dates, to be sold at a price not less than 98% of the total principal amount thereof, and bearing interest at a rate or rates not to exceed 6.50% per annum. The Bonds are to be issued and sold by the City pursuant to a Master Trust Indenture (previously executed and delivered by the City) and a Fifth Supplemental Trust Indenture (collectively, the “Indenture”), which Fifth Supplemental Trust Indenture was before the Council in substantially final form at the time of the adoption of the Resolution.

NET REVENUES PROPOSED TO BE PLEDGED

The City proposes to pledge Net Revenues (as defined in the Indenture) derived by the City from the operations of the Salt Lake City Airport System (as defined in the Indenture), and certain funds and accounts established under the Indenture, to the payment of the principal of and interest on the Bonds.

The Bonds will be limited obligations of the City, payable solely from and secured by a pledge of Net Revenues derived by the City from the operations of the Salt Lake City Airport System and certain funds and accounts. None of the properties of the Salt Lake City Airport System will be subject to any

mortgage or other lien for the benefit of the owners of the Bonds, and neither the full faith and credit nor the taxing power of the City, the State of Utah (the “State”) or any political subdivision or agency of the State will be pledged to the payment of the principal of, premium, if any, or interest on the Bonds.
