

PUBLIC HEARING

Public Utilities Impact Fee Facilities Plan, Impact Fee Analysis, and Consolidated Fee Schedule

SALT LAKE CITY DEPARTMENT OF PUBLIC UTILITIES SERVICE AREA

WHAT IS BEING CONSIDERED

The Salt Lake City Council will be holding a public hearing and accepting public comments regarding the Salt Lake City Department of Public Utilities (SLCDPU) Impact Fee Facilities Plan (IFFP) and the Impact Fee Analysis (IFA), establishing water, sewer, and stormwater impact fees. The proposal would also amend the Consolidated Fee Schedule (CFS), increasing utility impact fees for the first time since 1999. Impact fees are one-time charges on new construction that help pay for system wide water, sewer, and stormwater infrastructure upgrades. The proposed fees are based on the IFFP and IFA, pursuant to Utah Code 11-36a.
