

# EARTHQUAKE RECOVERY IN UTAH

## MARCH 2020 MAGNA EARTHQUAKE

Was your home or business damaged by the 5.7 earthquake that occurred on March 18? Please fill out our Assessment Survey! Not sure if it was damaged? Complete a visual assessment of your building.

### STEPS TO TAKE

- Look for cracks in the foundation
- Look for damage to exterior or interior walls, including cracks, ceiling and floor issues, lighting damage, windows and doors that do not open properly and roof damage
- Take photos to document the damage
- Contact your city if you need assistance

### SURVEY

Salt Lake City needs to know how extensive the damage from the earthquake is. If your home or business has visible damage, please take this survey. You can request an inspection while you're at it.

Complete the online form at:

[Assessment Survey Link](#)

<https://arcg.is/40zbe0>

**SURVEYS MUST BE  
COMPLETED BY  
APRIL 22, 2020**

If you have already had an inspection, email your information to Salt Lake City Building Services at [building.services@slcgov.com](mailto:building.services@slcgov.com).

### AMERICAN RED CROSS

With the continuation of aftershocks and the possibility of additional earthquake activity, the Red Cross offers safety tips via their Earthquake Mobile App available for free download at

Please be aware there is a possibility after inspection residents will potentially need to vacate their homes if a building is found unsafe to occupy.

Anyone needing a place to stay or assistance after the Magna Earthquake, please call the American Red Cross.
