

CIP Expectations:

1. All application submissions must be fully complete and submitted through ZoomGrants: https://www.zoomgrants.com/zgf/Salt_Lake_City/2021-22_Capital_Improvement_Program
2. All applications must include an official cost estimate prepared by a licensed contractor or other project professional (Project Budget Projections).
3. All applications must be completed by stated deadline to be eligible for consideration and funding.
4. All applications questions will be directed through the City's CIP Specialist kalli.ruiz@slcgov.com or (801)870-3839.

For more information about Salt Lake City's CIP program, please visit <https://www.slc.gov/can/real-estate-services/capital-improvement-program/>

*Incomplete applications will not be considered for funding. Salt Lake City staff is responsible for the facilitation of the general application process, but not authorized to consult or provide project specific information or documentation.
