EXCAVATION RESTRICTIONS
2023 Construction Projects

In accordance with Salt Lake City Code Section 14.32.085 (Excavation Restrictions), this publication identifies the public way projects scheduled for construction in Calendar Year 2023, including the nature of the excavation restrictions, and the effective date and duration of excavation restrictions. All potential users to whom the excavation restriction applies shall submit application to the City Engineer to participate in the stated projects to address co-locating facilities or other actions as needed in the best interest of the City. A GIS map showing the previously established excavation restrictions can be viewed on the City's website at: <https://maps.slcgov.com/mws/excavationrestriction.htm>
