

It's a great idea to plan ahead so you'll be ready in any event. A ready bag is a way to pack up some things to have ready to go if something should happen. Use the list below to pack up a bag of supplies that you can locate some place near to you and take quickly. Use things you don't need every day so you can keep them in the bag ready to go.

My Ready Bag

- **Change of clothes**
- **Blanket**
- **Books**
- **Favorite toy**
- **Paper, pencils and crayons**
- **Index card of contact info**

Have a parent or trusted adult go through your bag and then sign the sheet to show your bag is ready!
