## Resolution

### JOINT RESOLUTION RECOGNIZING MARCH 29, 2026, AS EDUCATION AND SHARING DAY

**WHEREAS,** Salt Lake City is committed to being a place where everyone has the opportunity to learn, grow, and thrive; a place where education is valued not only as the pursuit of knowledge but as the foundation for strong, compassionate, and connected communities; and

**WHEREAS,** Education and Sharing Day is observed each year in recognition of these shared values and the enduring importance of education in shaping a more just and inclusive society; and

**WHEREAS,** this observance is inspired by the life and teachings of Rabbi Menachem Mendel Schneerson, also known as the Rebbe to those of Jewish faith, whose philosophy emphasized that education is a lifelong pursuit and that early investment in character development helps empower individuals and communities for generations; and

**WHEREAS,** the values reflected in Education and Sharing Day, including learning, generosity, and care for one another, are shared across cultures and traditions and continue to guide our community here in Salt Lake City; and

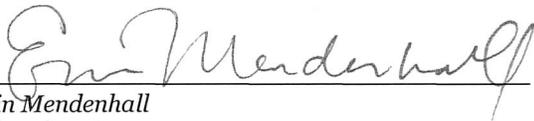

**WHEREAS,** this commitment is reflected in ongoing efforts across our city—from classrooms to libraries and internship opportunities to afterschool programs—where educators, families, and partners work every day to support the growth, well-being, and potential of our youth; and

**WHEREAS,** through continued partnership and collaboration across sectors, we can expand access to opportunity, open doors for children and young people, and create the conditions they need to truly thrive.

### NOW, THEREFORE BE IT RESOLVED,

that the Salt Lake City Council and Mayor of Salt Lake City hereby proclaim March 29, 2026, as **EDUCATION AND SHARING DAY** in Salt Lake City AND encourage all residents, educators, community organizations, and public servants to recognize the importance of education, to support young people in their growth and development, and to engage in acts of service and connection to create a better, brighter, and more hopeful future for all.
