

1300 EAST

RECONSTRUCTION

1300 East: 1300 South to 2100 South 10/5/2018 Construction Update

Water main construction continues to head north on 1300 East and will reach 1300 South then is projected to cross over to the West side next week. The map below shows the current construction progress:

ACCESS:

- Access to residential driveways may be limited for brief periods of time. However, driveways can be steel plated to allow for access at any time during construction. For steel plates, please contact the Public Outreach Team by calling the project hotline, 801-483-6898.
- There are no anticipated access limitations to Westminster College and local businesses along 1300 East

STREET PARKING RESTRICTIONS:

- Street parking on 1300 East is prohibited
- Residents are asked to park on side streets or their garage/driveway

TRAFFIC:

- The center lane is being used for the southbound travel lane and will be reconfigured when construction crews switch over to the west side of 1300 East heading South
- There may be a few road closures on side streets, tangential to 1300 East
- There are no expected road closures anticipated for 1300 East in the current section

WATER SHUTDOWNS:

- No water shutdowns are anticipated but may happen periodically if emergency situations are encountered that absolutely require a shutdown.

SEWER PHASE:

- The sewer phase of the project is expected to begin on 10/15/2018
- There is projected to be some minor service interruptions, isolated to nighttime hours, where residents and businesses affected will be given advance notification.

UTA BUS STOPS:

- UTA bus stop number 126576 at approximately 1960 South is now open.
- UTA bus stop 126087 at approximately 1420 South is now closed
- UTA bus stop number 126574 at approximately 1840 South is closed.
- UTA bus stop number 126575 at approximately 1888 South is closed.
- For more information regarding bus stops, please contact UTA customer service at 801-743-3882, or visit www.facebook.com/rideUTA/.

How are we doing?

Is there a specific issue we can address about the project?

Please let us know at one of these contact points:
