

900 South Reconstruction & 9-Line Trail

Lincoln Street - 1300 East

May to Nov 2018: Project will replace road base, make minor utility improvements, repave in concrete, add an uphill bike path and downhill bike lane (per 9-Line Trail Extension Study), and enhance pedestrian crossings. On street parking will remain.

If you have questions, thoughts, or concerns, please respond by February 15. Learn more and give us your input on critical elements through the following opportunities:

The 9-Line Trail will eventually extend from the planned Surplus Canal Trail to Emigration Canyon. It will connect parks, neighborhoods, the University of Utah, and business areas.
