

MAYOR'S OFFICE
451 SOUTH STATE STREET, ROOM 306
P.O. BOX 145474
SALT LAKE CITY, UTAH 84114-5474

In 2017, we did a study of pavement conditions all around SLC. This study, and conversations with residents, determined **2700 South needs our help**. Because SLC residents approved the **Funding Our Future** streets reconstruction bond in November, we moved up this important project to **improve your roads faster**.

The 2700 South project area includes **two schools**, so safety for these students is a priority. The street will be **safer** and **accessible** for all by improving **cross-walks**, adding dedicated **bike lanes**, and **making ADA improvements**. Once it is finished in the fall, residents will enjoy a **smooth** pavement surface and a **better** travel experience along this popular street.
