

1300 EAST CONSTRUCTION UPDATE

APRIL 26, 2019

Reconstruction Update:

The project was recently awarded to Staker Parson Companies, and the team plans to begin roadway work by mid-May. Information regarding closures, detours, or other traffic delays will be sent out via email and posted on the website as we receive it.

In order to facilitate and streamline communication at the onset of this project, the 1300 East team invites you to the following Meet the Contractor Event.

You're Invited!

The 1300 East project team invites you to join us at our Meet the Contractor event!

This meet & greet is intended for residents and businesses located on 1300 East from 1300 South to 2100 South to come meet the team that will be working in their area for the next several months. Attendees will have the opportunity to get more specific project information, as well as ask questions regarding traffic, detours, delays, the project timeline, and other construction-related topics. We hope to see you there!
