

# 1300 EAST CONSTRUCTION UPDATE

MAY 6, 2019

## Reconstruction Update:

Work is planned to begin on the reconstruction of 1300 East, between 2100 South and 1300 South, on May 13, 2019. In order to complete the project as quickly and safely as possible, **the construction team will temporarily fully close half of the project area at a time.**

The contractor plans to begin with the southern half of the project, from 2100 South to 1700 South.

### Legend:

- █ Phase 1 - 1300 East: 2100 South to 1700 South Closure
- █ Phase 2 - 1300 East: 1700 South to 1300 South Closure
- - - Detour Routes

Suggested detours include 2100 South, 1300 South, and 800 South/Sunnyside Ave. to Foothill Dr., State Street, or 700 East.

\*Schedule is subject to change due to weather or unforeseen circumstances.

This portion of the road will be **CLOSED** starting May 13. The northern portion of the project, from 1700 South to 1300 South, will follow. **Each section is expected to be closed for up to three months.** One section will remain open at all times. The intersections at 2100 South, 1700 South, and 1300 South will be open each day. Work in these intersections will be conducted mostly at night.

The contractor will maintain access for local residents and businesses throughout the duration of construction. Residents and businesses will receive additional information regarding how they will access their homes and buildings during the closures.

*Those with questions or concerns are reminded of the opportunity to visit with the contractor team at our Meet the Contractor event on May 16th, from 6:00-7:00 pm at the Westminster College Tanner Atrium.★*
