

1300 EAST CONSTRUCTION UPDATE

JULY 19, 2019

Upcoming Work Activities

- *In observance of Pioneer Day, no work will take place on Wednesday, July 24.*
- Demolition and road excavation of the west side of the work area is now underway. Granular borrow placement on this side of the roadway will begin toward the end of the month. Granular Borrow is the first section of the new road that will be installed.
- Gas line installation on the west side of the work area began today, and is expected to be completed late next week.
- Storm drain installation will take place intermittently throughout the closed section of 1300 East, as well as across the 2100 South/1300 East intersection. Intersection work will take place mainly at night. This activity is expected to finish up in the next two weeks.
- Some sewer laterals requiring replacement will be worked on for the next few months. Construction crews will be working with property owners to coordinate this work.
- Curb, gutter, sidewalk, and driveway approach replacement is expected to take place starting the first week of August.

Traffic Alerts

- Local residents accessing their homes in the closed area of 1300 East are reminded that traffic now flows **ONLY NORTHBOUND** from 2100 South to Westminster Avenue. For homes located between 2100 South and Westminster Avenue, please enter the work zone off of 2100 South, and then travel north to your home. When leaving, please head northbound to Westminster Avenue.
- Please note that there may be occasional delays for entering the work zone at 2100 South when trucks have to be loaded or unloaded in that area. At those times, expect between 5-15 minute delays.

Safety:

- Motorists are reminded to watch out for trucks entering and leaving the work zone. Please make eye contact with operators before passing any equipment. This will help ensure that you are safe and clear to pass. Also, please mind the flaggers that are assisting with the safe flow of traffic.
