

1300 EAST CONSTRUCTION UPDATE

JULY 3, 2019

Reminder

- **1300 East: 2100 South to 1700 South is CLOSED to all through-traffic. The road will remain closed through the end of July, and will not re-open at any time. Please use an alternate route.**

Upcoming Work Activities

- **In observance of the 4th of July holiday, no work will take place from July 3-7.**
- Crews continue to place granular borrow along the project corridor. Granular Borrow is the first section of the new road that will be installed.
- Fiber line installation is underway, and will continue through mid-July. Night work on the fiber line is scheduled for July 17, beginning at 1 a.m.
- The west-side of the closure is scheduled for demolition and road excavation beginning July 17.
- Some sewer laterals requiring replacement will be worked on starting next week for the next few months. Construction crews will be working with property owners to coordinate this work.

- Storm drain installation will take place intermittently throughout the closed section of 1300 East, as well across the 2100 South/1300 East intersection. Intersection work will take place mainly at night. This activity will continue through early August.
- Fiber line installation is underway, and will continue through mid-July. Night work on the fiber line is scheduled for July 17, beginning at 1 a.m.

Traffic Alerts

- Local residents accessing their homes in the closed area of 1300 East are reminded that traffic now flows **ONLY NORTHBOUND** from 2100 South to Westminster Avenue. For homes located between 2100 South and Westminster Avenue, please enter the work zone off of 2100 South, and then travel north to your home. When leaving, please head northbound to Westminster Avenue.
- Please note that there may be occasional delays for entering the work zone at 2100 South when trucks have to be loaded or unloaded there. At those times, expect between 5-15 minute delays.

Safety:

- Motorists are reminded to watch out for trucks entering and leaving the work zone. Please make eye contact with operators before passing any equipment. This will help ensure that you are safe and clear to pass. Also, please mind the flaggers that are assisting with the safe flow of traffic.

**Schedule is subject to change due to weather or unforeseen circumstances.*
