

1300 EAST CONSTRUCTION UPDATE

SEPTEMBER 13, 2019

Upcoming Work Activities:

- Concrete placement for Phase 1 is 75% complete. Curb, gutter, sidewalk, and driveway approach replacement will continue along both sides of the roadway through mid-September 2019. *We remind residents and pedestrians not to walk or drive on newly-poured concrete, as it requires several days of cure time.*
- Asphalt paving is now tentatively scheduled to begin the first week of October.
- Storm drain installation is nearly complete. Work will continue through mid-week next week in the 2100 South/1300 East intersection. Intersection work will take place mainly at night.
- Landscape restoration along the project corridor is underway, and will continue intermittently through the end of November.

Traffic Alerts:

- Motorists are advised of changing traffic patterns at the 2100 South/1300 East intersection over the next couple of weeks, to accommodate storm drain work. Please use caution driving through the area, and mind the traffic control devices in place to guide you safely through the intersection.
- Local residents accessing their homes in the closed area of 1300 East are reminded that traffic flows **ONLY NORTHBOUND** from 2100 South to Westminster Avenue. For homes located between 2100 South and Westminster Avenue, please enter the work zone off of 2100 South, and then travel north to your home. When leaving, please head northbound to Westminster Avenue.

New ADA Compliant UTA Bus Stops:

As part of the 1300 East Reconstruction project, Salt Lake City and UTA worked together to determine the best locations for bus stops along 1300 East. These bus stops will be ADA compliant, with an accompanying concrete pad, varying in dimensions by location. For your information, here are the approximate addresses of the new bus stops that will be installed along our work zone:

- | | | |
|-------------------|-------------------|-------------------|
| - 1269 E. 2100 S. | - 1735 S. 1300 E. | - 1409 S. 1300 E. |
| - 1955 S. 1300 E. | - 1625 S. 1300 E. | - 1350 S. 1300 E. |
| - 1902 S. 1300 E. | - 1542 S. 1300 E. | - 1329 S. 1300 E. |
| - 1877 S. 1300 E. | - 1515 S. 1300 E. | |
| - 1840 S. 1300 E. | - 1420 S. 1300 E. | |

Safety:

- Pedestrians walking through the construction zone are reminded that even though the road is closed to the public, residential traffic and construction vehicles are still actively driving in the area. For your safety, please only cross the road at designated crossing areas.
- Motorists are reminded to watch out for trucks entering and leaving the work zone. Please make eye contact with operators before passing any equipment. This will help ensure that you are safe and clear to pass. Also, please mind the flaggers that are assisting with the safe flow of traffic.

**Schedule is subject to change due to weather or unforeseen circumstances.*
