

1300 EAST PRECONSTRUCTION UPDATE

APRIL 13, 2020

This Tuesday and Wednesday night (April 14-15), work will take place at the 1300 South and 1300 East intersection to install fiber optics conduit. This task is unrelated to Phase 2 of the 1300 East reconstruction project, which is anticipated to start mid-May.

**Schedule is subject to change due to weather or unforeseen circumstances.*
