

# 1300 EAST CONSTRUCTION UPDATE

MAY 22, 2020

## Upcoming Work Activities:

- Crews will finish removing asphalt from the side street tie-in points on Friday, May 22.
- In observance of Memorial Day, no work will take place from May 23-25.
- On Tuesday, May 26, crews will begin excavation activities, including the removal of the concrete roadway layer, as well as removal of curb, gutter, driveway approaches, and some sidewalk panels, on the **east** side of the street. They will start near 1700 South and move northward. This process will take up to two weeks to complete.
  - *During concrete removal, residents may experience increased vibrations due to construction equipment. To avoid damages to personal property, please remove fragile/breakable things from walls and horizontal surfaces during construction.*
- Storm drain installation and gas line work is expected to start the first week of June.

## Traffic Alerts:

- 1300 East: 1700 South to 1300 South is now **CLOSED** to all-through traffic. Suggested detour routes include: 2100 South, 1300 South, and 800 South/Sunnyside Avenue to Foothill Drive, State Street, or 700 East.
- Please stay alert as drivers get familiar with the new traffic pattern.

## Safety:

- We remind residents accessing their homes in the closed area of 1300 East to drive slowly through the work zone and to use caution. Remember, **ONLY SOUTHBOUND** traffic is allowed from 1300 South to 1700 South. Please be attentive to the changing work zone conditions.
- We want to remind people traveling on the sidewalks to **cross the street at designated crossing areas only** to avoid hazards in the construction zone, and to make eye contact with equipment operators so they know you are there.
- During construction, drivers are reminded to watch out for trucks entering and leaving the work zone, and to follow directions from flaggers on-site assisting with the safe flow of traffic.

*\*Schedule is subject to change due to weather or other unforeseen circumstances.*
