

1300 EAST CONSTRUCTION UPDATE

OCTOBER 23, 2020

Update: We plan to re-open the road to public traffic on **Monday, November 9**. Until that day, *please refrain from driving through the work zone.*

Upcoming Work Activities:

- This week, crews are working to finish pouring remaining concrete elements such as pedestrian ramps, manhole covers, and driveway approaches.
- Landscape restoration along the corridor is planned to continue through early-November.
- Sign installation will take place intermittently over the next couple of weeks.
- The final coat of striping paint is planned to be placed along the roadway during the first week of November.
- Crews will be working on minor punch-list items and project clean-up through project completion.

Traffic Alerts

- We have been notified by a different project team that they will be **closing the 1300 South/1300 East intersection to ALL traffic for about the next week.**
- 1300 East: 1700 South to 1300 South **REMAINS CLOSED to all-through traffic AT ALL TIMES.** Suggested detour routes include: 2100 South, 1300 South, and 800 South/Sunnyside Avenue to Foothill Drive, State Street, or 700 East.

Safety:

- We remind residents accessing their homes in the closed area of 1300 East to drive **slowly** through the work zone and to use caution. Please make eye contact with operators before passing any equipment. This will help ensure that you are safe and clear to pass. Also, please mind the flaggers that are assisting with the safe flow of traffic.
- Pedestrians walking through the construction zone are reminded that even though the road is closed to the public, residential traffic and construction vehicles are still actively driving in the area. For your safety, **please only cross the road at designated crossing areas.**
- *Pedestrian routes through the area are changing often.* Please pay attention to signs marking where sidewalks are closed, and where you should be walking.
- Motorists are reminded to watch out for trucks entering and leaving the work zone.

**Schedule is subject to change due to weather or other unforeseen circumstances.*
