

I-STREET BIKE PARK GUIDELINES

Until a new stewardship and maintenance partner is identified (hopefully this spring/summer), we ask the Park's users to follow these reasonable guidelines:

- **Existing features may be maintained using hand tools and natural local soil.**
 - Do not import any natural materials from elsewhere or manufactured materials (no sandbags, metal, wood, etc.).
- **No building of any new jumps or features until a stewardship and maintenance agreement is in place.**
- **Respect the residential neighborhood:**
 - Park closes at sunset. No loitering after dark.
 - Slow down to the 25 mph speed limit if driving to the Park.
- **There is NO trash service at the Park. Please pack it in, pack it out.**
- **Alcohol is NOT permitted!**

To get involved or subscribe to our updates, please send an email with "I Street Bike Park" in the header to openspacecomments@slcgov.com
