600 NORTH / 200 WEST QUICK BUILD
DRAFT PREFERRED CONCEPT

- High visibility bike crossing markings (Typ.)
- Crosswalk painted red Capitol Hill color (Typ.) with stylized fruit stenciled.
- Island extended
- Green painted bike lane marking (Typ.)
- Bulb-outs at corners
- Bulb-outs painted teal Capitol Hill color with stylized fruit stenciled (Typ.) - potential example shown on one corner.

- Add westbound stop sign at Center St./600 North - potentially eastbound stop sign
- Surface mount delineator post (Typ.)
- Edge marked in reflective tape (Typ.)
- Potential for cone art in chicane bulb-out
- Bike lane turn corner, sharrow to move cyclists back into street

Surface Mount Delineator Post (Typ.)
